LADIES AUXILIARY

At our September meeting there was one officer and 3 members present. Two of the members, Laura Furakawa and Melanie Green presented some ideas for our organization going forward. As our members have grown older over the years and the newer Germania members do not seem to relate to the ways we have traditionally served the general membership, it is felt that there need to be some changes made to our structure. These are matters that need to be discussed by the entire group and not just a few. Our next meeting is October 11, which is after the Newsletter Deadline, I encourage those Ladies Auxiliary members who are concerned to be at our November and December meetings to discuss these ideas. At the October meeting I will appoint a nominating committee to nominate officers for the coming years. A Vice-President and Treasurer are needed for 2021 – 2022. Nominations will be presented in November and voted on in December.
